Please discuss with Mr. Hingray Babin

Dear Sir,

It was a pleasure meeting you and madam Goratti this morning. Thank you both for the warm welcome.

I am putting forth our requests to you.

Request 1.

I would like to request your esteemed college to allow us to interact with about 6-10 teacher trainees to receive suggestions for a manual that we are writing for schools to implement inclusive education smoothly. We believe that this manual will serve as a useful guide for teachers, heads of schools and policy makers in our state. We will release this manual in a public event in the month of April.

If your students agree to interact with us, we will take about 60-90 minutes to do the discussion. We would need a room, preferably with projector facilities to conduct the discussion.

Request 2.

As mentioned in our discussions today, Sangath has put together a short course on inclusive education for teachers and heads of schools. We hope to run this as an annual course from the next academic year, however before we do this, we would like to pilot it with a few groups. I am writing to you to express our interest in collaborating with your institution to pilot it with your students. If you are willing to partner with Sangath to pilot the course, we can work out the logistics for running it through your institution.

I have attached the course details for your reference. My colleagues Pallavi and Seema copied in this email will communicate with your office with regards to the logistics.

Looking forward to working with your esteemed institution.

Best wishes.
