

Academic Excellence of M.Ed Department.

Established in 1993 Goa Vidyaprasarak Mandal's Dr. Dada Vaidya College of Education has stayed true to its founder's vision and mission at large and over the years has, graciously spread its wings, to encompass a whole array of educational programs, right from Pre- Primary Teacher Education, Bachelors in Education, Masters in Education to Ph.D. in Education.

The uniqueness of the College lies in the fact, that not only is it the sole institution in the State of Goa to offer the whole array of educational programs under one roof, but also that, the newly instated M. Ed program (2019), within no time has proved its worth in academic excellence.

M. Ed. is a two-year (4 Semesters) programme affiliated to the Goa University and recognized by the National Council for Teacher Education. The course equipped with experienced Staff, also trains students to crack UGC-NET exam, creates opportunities to present papers at national and international level, with weightage to research activities and projects for community engagement.

M. Ed program had 30 students enrolled for the academic year 2019- 2020, out of which *18 secured distinctions in the final University examinations held in 2020-2021 and 11 cleared NET examinations.* For the academic year 2020-2021 there are 36 student enrolments wherein *2 have cleared NET* and other *2 students cleared SET examinations.* The first batch of the students, who passed out in 2021, boasts of *11 placements in B. Ed Colleges.*

Our novice department has hosted, 2 National, 1 International & 1 World Conference on Education and 5 National level webinars. 26 students presented papers in National conferences and seminars with 24 paper publications & 12 papers presented in International Conferences.
