Quarterly Academic Report

January 2023 to March 2023

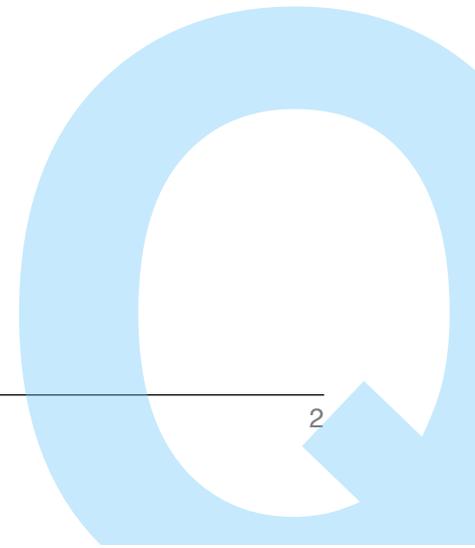

Foreword

It's a pleasure to present the quarterly report of the College activities from January to March 2023. It contains reports of more than 20 major activities conducted during the above period. This was possible because of the cooperation and hard work put in by the students and the staff of the College. I hereby submit the quarterly report to all our well wishers.

Dr. Jojen Mathew
Principal

About the College

GVM's Dr. Dada Vaidya College of Education, situated in Ponda Taluka was established in the year 1993 in response to the growing demand for teacher education in Goa. The college is affiliated to Goa University and is recognized by National Council of Teacher Education. The College offers B. Ed, M. Ed, Ph. D (Education) and Diploma in Pre-Primary Teacher Training. For all the courses it is expected that student teachers are groomed into all round Teachers. For this, Curricular, Co-Curricular and Research activities are organized throughout the academic year. Here are the highlights of the activities held during last three months which has helped the student teachers, faculty members and the community at large to grow and to become better.

Highlights for the Month of January, 2023.

Bharat Mata Pujan, 3rd January 2023.

Bharat Mata Pujan was performed at GVM's Dr. Dada Vaidya College of Education with Assoc. Prof. Samir Naik at the helm of the entire program. It was on 30th December 1943, that the National Flag was hoisted for the first time on the Indian soil, at Port Blair by Netaji Subhash Chandra Bose. To commemorate this important occasion, Bharat Mata Pujan was performed, followed by the floral veneration (pushpanjali) of Netaji Subhash Chandra Bose. After the formal introduction of the program by Assoc. Prof. Samir Naik, the Principal Dr. Jojen Mathew addressed the gathering. This was followed by the key note address of Ass Prof. Sanjay Govekar. The speech of Abhinav Katkar was followed by the vote of thanks.

Parikrama 0.5, Knowledge Terminus, 2023.

Parikrama 0.5 is a unique initiative by mid-career professionals to create a forum for ideating, incubating and processing innovations by engaging young minds. GVM's Dr. Dada Vaidya College of Education, participated in various events held during Parikrama 0.5 on 28th and 29th January at Keri Ponda, Goa.

Results were as follows:

1. Koyne Baal (Gilli Danda) 2nd Place 🥈
2. Penalty Shoot-out: 1st Place 🥇
3. Tyre Relay: 1st Place 🥇
4. Dance: 3rd Place 🥉
5. Game Rough: 5th Place 🥉
6. Unplugged: 3rd Place 🥉

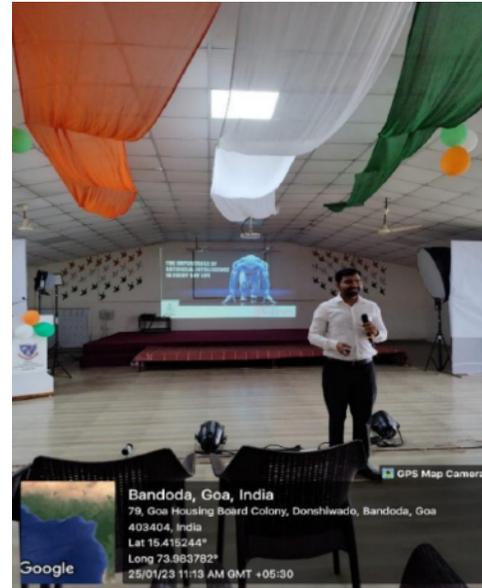

Overall 5th Place winners 🏆 & 1st amongst all the Educational institutions 🎉🏆

Vidnyan Dhara- a Mega Science Series Program 25th January 2023.

“How Artificial Intelligence is impacting our Everyday lives”

The Directorate of Higher Education (DHE) and Goa State Higher Education Council (GSHEC) organized “Vidnyan Dhara”, a State wide mega Science series program, aimed to inspire and motivate students, faculty and researchers from all disciplines towards science. The uniqueness of this event is to energise a multidisciplinary education approach amongst the faculties and students. To make this event successful in instilling curiosity in the minds of students, GVM's Dr. Dada Vaidya College of Education, hosted the Lecture titled, “How Artificial Intelligence is impacting our Everyday lives”, delivered by the Resource Person, Dr. Mahadev Gawas, DHE, Goa. Dr. Mahadev Gawas, Assistant Professor for State Higher Education Council under DHE, Goa, equipped with a demonstrated history of working in the Education management industry and his strong educational professional background with a Doctorate of Philosophy-PhD focussed in Computer Science from BITS Pilani, skilfully illustrated the importance of artificial intelligence in every-day life. Sir simplified the use of AI through the smart phones one uses to the evolution of technology in lifestyle. Recent developments in Artificial Intelligence in the field of Education (AIED) were focussed upon. The talk created awareness amongst the teacher trainees to be future ready, and was very interactive and ended with a Q & A session. It was attended by all the FY B.Ed, SY B. Ed students as well as the staff members of the College. We are thankful to, the Goa State Higher Education Council and the Directorate of Higher Education (DHE), Govt of Goa, for giving us the opportunity to host the Lecture.

Republic Day Celebration, 2023.

Republic day Celebration was celebrated in G. V. M's Dr. Dada Vaidya College of Education on 25th January 2023 at 9.30am in the College Auditorium by group Lakshya (FY B. Ed) under the mentorship of Asst. Prof. Diptej Vernekar. The event began with a patriotic song sung by Lakshya group, followed by the welcome speech delivered by Principal- Dr-Jojen Mathew and a brief talk on the importance of Republic Day. Various On-Stage and Off-Stage competitions were organized, and three judges were appointed for each competition. The formal introduction was followed by the Off-Stage event- Think Outside the Box (painting competition), where the participants had to paint using natural substances. Thereafter, at 2.00pm with some beautiful graphic presentation by Asst. Prof. Diptej Verenkar, Phase I of Quiz Master was held on 24th January 2023 for the students of F.Y.B.Ed with Nilin Naik being the impactful quiz master. The On-stage event- Quiz Master (phase II) "Kaun Banega Quiz Master" was held for the students of S.Y.B.Ed. The theme for the quiz was Goa. This was a contemporary take on the idea of Kaun Banega Karodpati conceptualised by the group Lakshya (FY B. Ed) under the mentorship of Asst. Prof. Diptej Vernekar. This was followed by another On-stage event- Move to the Beats (Patriotic Dance competition) for the students of both first year and second year B.Ed. The students dedicated a rhythmic performance on stage. The celebration ended with a Vote of Thanks by Lakshya group leader, Andria Fernandes extending her gratitude to all the esteemed guests in the event and to the students who had performed beautifully.

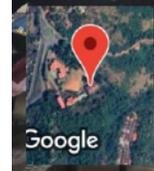

Highlights for the Month of February, 2023.

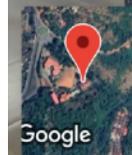

Vidnyan Dhara- a Mega Science Series Program, 7th February 2023.

“Environmental Chemistry”

The Directorate of Higher Education (DHE) and Goa State Higher Education Council (GSHEC) organized “Vidnyan Dhara”, a State wide mega Science series program. The program was aimed to inspire and motivate students, faculty and researchers from all disciplines towards science. The uniqueness of this event is to energise a multidisciplinary education approach amongst the faculties and students. To make this event successful in instilling curiosity in the minds of students, GVM's Dr. Dada Vaidya College of Education, hosted the Lecture titled, “Environmental Chemistry”, delivered by the Resource Person, Dr. Shrikant Ramesh Naik. Dr. Shrikant Ramesh Naik, Assistant Professor, School of Chemical Sciences, Goa University, explained how the environment and Chemistry related to each other in the onset through London Smog, Gulf War, Bhopal Gas tragedy, Chernobyl Nuclear, Minamata disease in Japan, and Agent Orange in Vietnam War. Further points of discussion were the structure of atmosphere, ozone layer- cause and effect of ozone layer depletion, PAN and Los Angeles Smog, acid rain, air quality index, air pollution, Gaseous pollutants, methods of purifying effluent air, eutrophication (water Pollution), green-house effect, causes of floods and how to prevent pollution – at home and school, agricultural sectors. The talk created a lot of awareness amongst the teacher trainees about the environment and pollution. It was attended by all the FY & SY B. Ed students as well as the staff members of the College. We are thankful to the Goa State Higher Education Council and the Directorate of Higher Education (DHE), Govt of Goa, for giving us the opportunity to host the lecture.

Production Oriented Workshop on Street-Play Making, 9th & 10th February 2023.

A workshop on Street-play making was conducted by Ms. Antara Bhide in the college on 9th and 10th February 2023 with participation from 11 students of F.Y.B.Ed. The participants learnt various aspects important in the making of a street-play acting, such as - coordination, movements, story-telling, pantomime and voice projection. The workshop aimed at producing a street-play on the theme: 'Water for sustenance of life', to be presented at the state level event "Yuva Jagruti 2023" by Abhivyaktee-Panaji and Goa State Biodiversity Board at Institute Menezes Braganza on 11th February 2023. The participants of the workshop put together a street-play performance titled "Udak-udak-ghe-udak" at the event and won the first place at the state level.

The following is a list of participants of the workshop and winners of the competition

1. Mallika V. Kankonkar
2. Nishita N. Gaonkar
3. Suvarna V. Naik
4. Manali U. Parsekar
5. Sruti B. Naik
6. Gautami D. Kurtikar
7. Madhvi V. Panchal
8. Vailankani Viegas
9. Karuna Raju Hulyalkar
10. Priyanka G. Redkar
11. Damini Santosh Gaonkar

Film Making Workshop, 9th & 10th February 2023.

On 9th and 10th February 2023, GVM's Dr. Dada Vaidya College of Education, Ponda conducted a two-day workshop on Film-making for all the First Year and Second Year students. The workshop aimed to introduce students to various aspects of film-making, including scripting, shooting content, and post-production, and provide them with hands-on learning experiences.

The workshop was conducted by Mr. Diptej Vernekar, an Assistant Professor in Fine Art. Mr. Vernekar shared his knowledge and experience with the students, providing them with an in-depth understanding of the different types of filmmaking processes. He emphasized the importance of pre-production and scriptwriting, as they form the foundation of any film-making project. He also discussed the various aspects of post-production, including editing and sound design, that play a crucial role in the final output of the film. The workshop was conducted in the Computer Lab - Audio Visual Lab, which was well-equipped with the necessary resources to provide an interactive and hands-on learning experience. The students were divided into groups and were given a practical assignment to write and shoot a short film based on a given theme. This assignment provided them with an opportunity to apply the knowledge they had gained in the workshop.

The workshop was not only relevant to students who are interested in pursuing a career in the film industry, but also to those who are interested in teaching. Mr. Vernekar highlighted the importance of audio-visual aids in education, and how they can be used to create a more engaging and effective learning environment. The workshop received positive feedback from the students, who found it informative and engaging. They appreciated the opportunity to learn from an experienced professional and gain practical experience in film-making. In conclusion, the Film-making Workshop conducted by GVM's Dr. Dada Vaidya College of Education, Ponda was a resounding success. It provided students with a comprehensive understanding of the different types of film-making processes, practical experience in film-making, and insights into the use of audio-visual aids in education. The workshop was an excellent opportunity for students to enhance their skills and knowledge in film-making and was a valuable learning experience.

Intra Mural Games Fest 2023.

Principal Sir along with Sir Sunil Kumar and the rest of the faculty members appreciated the wonderful models handcrafted by the students. models and given well explanations which shows their hard work towards the Exhibition. his publications "Typological Insights into Folklore of Goa" which documents his invaluable work.

Annual Sports Meet 2023.

Goa Vidyaprasarak Mandal's Dr. Dada Vaidya College of Education celebrated its annual sports meet on 23rd February 2023 and 24th February 2023 with great passion and excitement.

For the first time in the state of Goa, the college has taken initiative to conduct the Annual Sports Meet in an innovative way that is by combining theory and practical.

The celebration was done with the elegant presence of the Chief guest Devashish Bagchi, Mr. Siddhesh Kesarkar, Assistant Director (Academics) Directorate of Higher Education, Principal Dr. Jojen Mathew along with all our professors and all the non-teaching staff. The whole event was planned and organized by the College Director of Physical Education Mr. Shaunak Pagi with the amiable help of the groups Sahyadri and Umang.

Day 1 (Theory) Day 2 (Practical)

Day 1 started with a great motivating speech by our chief guest Devashish Bagchi and then followed by a presentation from Each Team. The presenters per team were 5. The topic for the presentations was any specific health condition/illness/disease/deficiencies etc. The judge for the presentation was Mr. Siddhesh Kesarkar, Assistant Director (Academics) Directorate of Higher Education. The students presented on various health conditions like Lifestyle Diseases, Hairfall, Anemia, Breast Cancer etc.

The Day 1 event ended with a beautiful experience shared by Mr. Siddhesh Kesarkar, Assistant Director (Academics) Directorate of Higher Education followed by the announcement of winners of intra-mural games fest 2023 and the presentation winners.

Day 2 - Practical

Day 2 started with great dedication and warmth from the Staff and students. The students entered into the spirit of the occasion in a grand way with the oath being administered by the Sports Secretary Mr Palleh Velip.

The official beginning of event started with our first competition Cricket, Team yellow bagged first place in Cricket and Team Black bagged second place. All the games were played simultaneously. Moving on there were several other competitions, including Volleyball, Penalty Shootouts and Obstacle race. The rules and regulations of each game were distributed well in advance to all the teams and all the volunteers and scorekeepers.

Team Black bagged first place in volleyball and second place was bagged by Team Purple.

In a penalty shootout, Purple Team bagged first place and second place was bagged by Team Yellow.

Lastly, the most interesting game was the obstacle race, the winners of the obstacle race were Team Yellow and Team Blue bagged second place.

The winners of the Annual Sports Meet 2023 were Team Yellow & Team Black.

In the end, the College Director of Physical Education Mr. Shaunak Pagi thanked everyone for their presence and support and congratulated the students for their exceptional support.

Marathi Day Celebration, 27th February 2023.

On February 27, 2023, the World Marathi Language Day program was celebrated with enthusiasm at GVM's Dr. Dada Vaidya College of Education. The program was organized in the auditorium of the college.

Asst. Prof. Saish Nayak Dalal (Vidya Prabodhini College) was present as the chief guest for the program. The Head of Department of Marathi, Assoc. Prof. Samir Naik and Senior most Assoc. Prof. Dr. Anna Neena George were also present on the stage. Along with the above-mentioned dignitaries, Ex. Head Master and present Coordinator of Pre-Primary programme Shri. Vallabh Vernekar and student representatives of second year Gauri Anil Nadkarni and Harsha Ganpule were also present on the occasion.

The program started with a welcome (Ish Stawan) dance performed by first year Marathi students. The chief guest along with the other dignitaries lit the lamp and garlanded the portrait of great Marathi writer, poet Kusumagraja. After welcoming the dignitaries with flowers, Akruiti Naik (FY) introduced the chief guest. Prof. Samir Naik made the introductory remarks. SY student Gauri Anil Nadkarni explained the importance of language day. On this occasion, Head of Science Department Senior Assoc. Prof. Dr. Anna Neena George expressed her thoughts. Chief Guest Prof. Saish Nayak Dalal, while guiding the students, expressed his love for the Marathi language and also challenged the students to continue working for the development of this language.

On the occasion of Marathi Language Day, the Department of Marathi, under the guidance of Prof. Samir Naik, published the 6th edition of the magazine 'Aksharamanch'. The magazine was unveiled by the Chief Guest. Gauri Anil Nadkarni (SY) was the executive editor of this year's magazine, while Vaibhavi Shahapurkar (SY) and Rohan Tamboskar (FY) worked as deputy editors. On the occasion of Marathi Language Day, two competitions were organized by the Marathi department for the students of other departments. Out of which, Book Cover Rangoli Competition was held on 23 February 2023. A total of 11 pairs i.e. 22 students from FY and SY participated in this competition. The winners of this competition are as follows: 1st: Sriyanka Hardikar & Sanyukta Mishra (FY), 2nd: S.C. Jashmi & Vaishnavi Mhardolkar (SY), 3rd: Rachita Naik & Mahalakshmi Charuti (FY). This competition was judged by Prof. Diptej Vernekar & Prof. Dr. Honey Babu.

The Marathi Singing Competition was held after the formal program of Marathi language day. The winners of this competition are as follows: 1st: Madhura Talwalkar (SY), 2nd: Richesh Parab (FY) and Uma Naik (FY), 3rd: Raksha Mote (SY). This competition was judged by Prof. Vinayak More and Ms. Asst. Prof. Antara Bhide. Prizes were awarded to the winners by the chief guests. Around 170 students attended the program. Also, the teaching staff and non-teaching staff of the college were present. Shrutika Naik (FY) gave vote of thanks. The program was compered by Vaishali Joshi (FY). The report of this programme was published on local marathi daily Dainik Herald.

National Science Day Celebration, 28th February 2023.

G.V.M.'S Dr. Dada Vaidya College of Education - Ponda celebrated the National Science Day with great enthusiasm and zeal on 28th February 2023 to commemorate the discovery of the Raman Effect by Sir C.V. Raman in 1928. The day is observed to promote the importance of science and its applications in daily life. This Year the theme for National Science Day was "Global Science for Global Wellbeing." The event was organized in the college premises with the intention of promoting scientific knowledge and creating awareness about the importance of science in our lives. The event was graced by the presence of several distinguished guests, including Dr. Rajesh Pednekar, Associate Professor, DMC Mapusa who was invited as the chief guest of the event. Other dignitaries in attendance included Mr. Krishna Shetye, Chairman of the college, Mr. Ashok Nagvenkar, Vice Chairman of the college, Mr. Prabhat Shikerkar, Treasurer of the college, and Deepak Gaonkar, a member of the college's governing body. Dr. Anna Neena George, the event coordinator, was also present who played a vital role in managing the entire event.

The Event began with the Indian traditional way of lighting the lamp, followed by the inauguration of the science exhibition with a Lava Lamp. The exhibition showcased various scientific concepts and principles through interactive displays and demonstration. The exhibition aimed to provide an opportunity to learn more about nature and the scientific concepts through interactive experiences. Different scientific experiments and demonstrations based on Physics, Chemistry, and Biology were exhibited. The experiments and demonstrations were conducted by the college students and aimed to demonstrate scientific principles in an engaging and interactive way. The experiments included demonstrations of the properties of light, sound, and magnets as well as the chemical reactions of compounds. A holographic illusion model and 3D Film by Richesh Parab and Tejas Nagvekar , displayed in the dark room left the audience in awe.

The formal function commenced with an introduction by the anchor, Rajat Hegde, who set the tone for the event. The students then performed a welcome song, which added to the festive atmosphere of the event. Dr. Anna Neena George gave a warm welcome address to all the attendees. She highlighted the importance of science in our daily lives and how it plays a critical role in the progress of society. The dignitaries were also given flowers to honor their presence on the occasion. The event featured a presentation on C.V. Raman by Uma Naik highlighting the importance of Raman effect and its application facilitating human life. Filler quiz on Indian scientist and Physics challenges were conducted by Mahendra Gadgil and Rubeena Beg to keep the audience engaged which also served the purpose of promoting scientific awareness. The event also included the screening of a Sci-Fun Video and then stage performances in the form of skits, poems, and songs, which aimed at conveying the importance of science among the attendees in an engaging and entertaining way.

The Sci-fun report was published at the hands of the chief guest and other dignitaries. The report aimed to highlight the importance of promoting scientific awareness among students and provide an overview of the activities and initiatives undertaken by the college to promote science. Sci-Fun certificates were awarded to all the deserving participants.

Mr. Krishna Shetye, the Chairman of the college, gave a speech in which he highlighted the importance of science in our lives. He emphasized that science is the key to the progress of society and that it is essential to encourage scientific temper in society. He also praised the efforts of the students and the event coordinators in organizing this event. The chief guest, Dr. Rajesh Pednekar, was introduced by Mansi Dessai. The Chief guest in his address highlighted the importance of adopting sustainable practices and developing innovative solutions to mitigate the effects of climate change. He also emphasized the need for global cooperation to address the challenges posed by climate change.

After the speech, Dr. Anna Neena George gave a token of love to the chief guest. The event concluded with a vote of thanks by Dr. Anna Neena George. She thanked all the dignitaries and participants for making the event a success. She emphasized that the event was aimed at promoting scientific awareness and literacy among the attendees, and it was a resounding success.

In conclusion, the National Science Day celebration at GVM's College of Education was a grand success and it provided a platform for students to showcase their talents and innovative ideas. The event showcased the importance of science in our lives and emphasized the role of science in promoting global wellbeing.

Highlights for the Month of March, 2023

Orator of GVM's & Voice of GVM's – Inter/ Intra Collegiate Competitions, 2023.

The winners for various competitions performed prior to the prize distribution ceremony. Ms Harsha Ganpule from SY B. Ed bagged the GVM's Voice of the year award while Ms Purva Chodankar stood at second place for the GVM's Orator competition. Both these competitions were held at Inter-Collegiate level.

Wall Mural Painting Project, to spread awareness about HIV AIDS , 2nd to 9th March 2023.

The students of S.Y.B.Ed at G.V.M's Dr. Dada Vaidya College of Education undertook a Wall Mural painting Project on the parking lot wall of the college to spread awareness about HIV AIDS. This took place over a few days- from 2nd March 2023 to 9th March 2023.

Assistant Professor Diptej Vernekar provided guidance and assistance to the students throughout the process. The students executed the Project with enthusiasm and creativity, using vibrant colors and engaging visuals to convey the message about the importance of precaution, prevention, and early detection of HIV AIDS. The wall painting has not only beautified the parking lot but also served as an effective medium to educate and raise awareness about this important health issue.

The Project allowed the students to showcase their talent and creativity, it has helped in educating others about the importance of spreading awareness about HIV AIDS and it also added an aesthetic value to the campus.

This Project was also part of the District Level Wall Painting Competition organized by the Goa State Aids Control Society, Panjim, Goa. And College secured First place in the Wall Painting.

College Annual Excursion, 3rd March 2023.

Department of Physical Education of GVM's Dr Dada Vaidya College of Education organised an annual excursion at NV Eco Farms on 3rd March 2023.

Transport, food was arranged for the students. Buses departed from the college at 10.00 am and reached the venue at 10.30 am. The excursion began at 10.45 am with a general briefing by the Director of Physical Education and Sports. Students visited the farm, gone for trekking, had fun in swimming pool and explored the butterfly garden. After lunch, students were given leisure time for the games. Buses departed at 4.00 pm from the Nv eco Farm and reached the college before 5.00 pm. Transport buses were arranged from Brahmanand travels and food was arranged by farm management.

The whole activity was organised under the guidance of Director of Physical Education and Sports Mr. Shaunak Pagi.

National Webinar on, “Financial Empowerment Through Wealth Creation”, 6th March 2023.

GVM's Dr Dada Vaidya College of Education, Ponda, Goa organised a National Webinar in Collaboration with the Association of Mutual Funds in India (AMFI) for the topic "Financial Empowerment through Wealth Creation" on 6th March 2023 through the Zoom platform. Shri. Suryakant Sharma, Sr. Consultant- North Goa, AMFI (Former DGM, SEBI), AMFI, who was the keynote speaker in the webinar at the outset touched upon the importance of the financial security of individuals. He emphasized that an investor should first think and ensure adequate life insurance, reasonable medical insurance coverage and an emergency fund before embarking upon the journey of wealth creation through sustained investments which is essential for prosperity. He then made a vehement plea for regular savings and an increase of savings every year minimum by 10%. More than 345 participants across India attended the webinar. The B.Ed Students along with teaching, non-teaching faculties from the college also benefited from the webinar. The College Principal and patron of the webinar Dr Jojen Mathew inaugurated the webinar in his inaugural speech, he expressed that the importance of financial literacy cannot be overstated, and it is heartening to see the efforts of organizations like AMFI to promote financial education and awareness. At the end of the webinar, the vote of thanks was expressed by the Assistant Professor and Convenor of the webinar Mr Vinayak More. The webinar was compeered by Assistant Professor Ms Antra Bhide and technology logistic support was handled by the System Administrator and Co-Convenor of the webinar Mr Abhijit Rege.

Millet Recipe Exhibition, 20th March 2023

To celebrate the International Year of Millets 2023 and to create awareness on usage of Millets as daily dietary component, GVMs Dr Dada Vaidya College of Education's Pre-Primary department organised "Millet Recipe Exhibition". The participants were encouraged to create unique recipes using Millet as the main ingredient and highlight the importance of nutritional value and health benefits of Millets. This activity helped to create awareness and promote the usage of Millets in the daily diet.

Financial Literacy Workshop under the Government of India's initiative 'Kona Kona Shiksha', 20th - 24th March 2023.

The Financial Literacy Workshop under the Government of India's initiative 'Kona Kona Shiksha' was successfully conducted at GVM's Dr Dada Vaidya College of Education from 20th to 24th March 2023. The workshop aimed to provide hands-on training to students on various aspects of financial literacy, including modes of investments, compounding, and risks involved in financial decision-making. Mr. Rajendra Dalvi, an experienced professional from SEBI-NISM/FET/GOA STATE, served as the resource person for the workshop. With his expertise in the field, Mr. Dalvi delivered insightful lectures and practical sessions, equipping the participants with valuable knowledge and skills related to financial literacy. The workshop covered a wide range of topics, including an introduction to financial literacy, understanding different investment options, the power of compounding, managing risks in investments, and financial planning for the future. Through interactive discussions, case studies, and real-life examples, the participants gained a comprehensive understanding of the financial landscape and developed a better grasp of making informed financial decisions. The participants actively engaged in the sessions, asking questions and seeking clarifications, which further enriched their learning experience. The workshop coordinator, Mr. Vinayak More, played a pivotal role in ensuring the smooth execution of the Financial Literacy Workshop. He diligently monitored the daily activities, ensuring that the sessions ran seamlessly and the participants received maximum benefit from the workshop.

Investor Awareness Program under the Government of Goa, 24th March 2023.

The Investor Awareness Program was conducted at GVM's Dr Dada Vaidya College of Education on 24th March 2023, in collaboration with the Directorate of Higher Education, Government of Goa, Goa. The program was organized on the occasion of Global Money Week 2023, an international campaign aimed at promoting financial awareness among the youth. The Investor Awareness Program was initiated by the Krisha Foundation, a public charitable trust empanelled by the Bombay Stock Exchange Investor Protection Fund (BSE IPF). The foundation, in collaboration with the Directorate of Higher Education of the Government of Goa, conducted the program free of cost for the student body, teaching faculty, and non-teaching faculty of the institution. Ms. Zeal Doshi, a Certified Financial Planner and CFA (Level 1) holder, served as the resource person for the program. With her extensive knowledge and expertise in finance, Ms. Doshi delivered an insightful lecture, emphasizing the importance of financial awareness and responsible investing. During the Investor Awareness Program, Ms. Doshi covered various topics, including the basics of investing, understanding different investment options, risk management, and the importance of long-term financial planning. She shared practical examples and case studies to illustrate the potential benefits and risks associated with different investment avenues. The program was successfully coordinated by Mr. Vinayak More, Assistant Professor; he ensured the smooth execution of the program, overseeing the logistical arrangements and facilitating a conducive learning environment for the participants.
